

VACATED ACCOUNTS TO BE CHARGED OFF

PROJECT	ACCOUNT NUMBER	TENANT	MONTHLY U & O	VACATE DATE	RECOMMENDED CHARGE OFF AMOUNT
1. Fenway	224-1	Ms. Margaret Reed	\$60.00	12/31/79	\$1,530.00
Tenant was on general relief and has moved on her own to an undisclosed location. Tenant never filed for relocation benefits, resulting in additional savings to the Authority to offset any amounts attributed to this write-off.					
2. Fenway	280	Abby Rockefeller	\$250.00	12/31/77	\$500.00
This small business account vacated the premises to an undisclosed location and did not file for a business relocation claim, resulting in a substantial savings to the Authority. This elderly person had always paid monthly rental in advance and it appears that the vacate date may be inaccurate and no rental is actually due. In order to correct this administrative error which may have led to an incorrect accrual of Use and Occupancy charges, it is recommended the Authority write off as uncollectible these miscellaneous charges.					
3. South End	2614	Robert David	\$290.00	7/26/76	\$290.00
The Authority acquired the real estate from Robert David in 1976 and set up a receivable of \$290 on the record. Subsequently, the Authority entered into a favorable real estate settlement with Mr. David and it is recommended that the Authority write off as uncollectible this minor charge of \$290 which has remained on the record for several years.					
4. South End	2652	Jose Pablo	\$90.00	12/4/80	\$730.00
This elderly tenant is on general relief and has moved into subsidized elderly housing and is not entitled to any further relocation benefits. It is recommended that the Authority charge off as uncollectible the remaining Use and Occupancy charges.					
5. South End	985-1	Joseph Shapiro	\$200.00	5/10/76	\$666.68
This small business account vacated the premises without filing for a business relocation claim and has apparently gone out of business. It is recommended that the Authority write off as uncollectible these remaining charges. Tenant vacated in May of 1976 and is not eligible for relocation benefits.

6.	Campus High	261	St. John's Missionary Church	\$800.00	3/13/80	\$19,546.67

As the Authority is aware, Rev. Kelley of this Baptist Church, appeared before the Authority on several issues stemming from the acquisition of his church in Campus High; and the Authority reconsidered several items on his relocation claim in order to offset some of the expressed hardships incurred as a result of the taking. The church had always contested as excessive the \$800 per month rental. It must be remembered that the tenant was cooperative in settling with the Authority the complicated land damage matter. The church incurred what amounts to double occupancy costs during the period of time when we were assessing the \$800 a month rental at the former location. A double occupancy cost has always been a HUD approved reason for either a reduction or waiver of previous rental at the tenant's former project location. These double occupancy costs resulted from the church purchasing a new site and incurring substantial additional costs in building a new replacement church at higher interest and construction costs. Based upon all the hardships incurred in addition to the fact that the church was being charged a double rental, it is recommended that the Authority write off as uncollectible the remaining balance on this account.

7.	South End	2465	Ernest George	\$300.00	10/3/73	\$300.00
----	-----------	------	---------------	----------	---------	----------

The Authority acquired this property in 1973 from Ernest George and set up an account of \$300 to cover the initial month of occupancy. The Authority was able to effectuate with Mr. George a real estate settlement favorable to the Authority. It is, therefore, recommended the Authority write off as uncollectible this minor \$300 seven-year old account.

MEMORANDUM

MARCH 26, 1981

TO: BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT J. RYAN, DIRECTOR

SUBJECT: CHARGE OFF OF SEVEN ADDITIONAL VACATED USE AND OCCUPANCY ACCOUNTS

In order to resolve the matter of several longstanding Use and Occupancy Accounts, I am recommending that the Authority write off as uncollectible seven additional accounts which, after an in-depth review, have been considered uncollectible for the reasons given in more detail on the attachment.

I have had these accounts reviewed with the Family and Business Relocation Departments as well as the Property Management Department which has coordinated the review with the General Counsel's Office, and it is concurred that there is no reasonable prospect for further recovery on these delinquent vacated accounts. Therefore, an appropriate vote follows:

VOTED: The attached accounts be charged off under HUD Property Management Guidelines in accordance with Urban Renewal Handbook RHA 7211.1, Chapter 3:

- (1) There is no reasonable prospect of collection; and
- (2) The probable cost of further efforts to collect would not be warranted.

MEMORANDUM

TO: BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT J. RYAN, DIRECTOR

SUBJECT: COOPERATION AGREEMENT BETWEEN THE BOSTON HOUSING AUTHORITY,
THE BOSTON REDEVELOPMENT AUTHORITY AND THE COLUMBIA POINT
COMMUNITY TASK FORCE

The BRA has been working with the Boston Housing Authority and the Columbia Point Community Task Force, Inc., the elected representative of the Columbia Point residents, on continuing planning and development activities aimed at the redevelopment and revitalization of the Columbia Point Peninsula.

The parties have proceeded under the Columbia Point Peninsula Redevelopment Agreement, approved by the BRA on February 15, 1979, and which outlined individual and mutual responsibilities of the three parties in planning and development activities.

It has been determined that an essential part of the redevelopment program is to ensure that all current residents will have the opportunity to stay at Columbia Point when it is redeveloped. In order that the Columbia Point Task Force, as well as the other two parties, can proceed with this planning objective clearly established, the three parties feel that a Columbia Point Resident Rehousing Agreement should be executed. The agreement will guarantee that all current heads of households will be provided a suitable unit if the Columbia Point Master plan proceeds.

The Columbia Point Resident Rehousing Agreement has already been signed by Lewis H. Spence, Receiver/Administrator of the Boston Housing Authority and Terry Mair, President of the Columbia Point Community Task Force, Inc.

VOTED: That the Director is authorized to sign the Columbia Point Resident Rehousing Agreement which guarantees the right of current residents who are leaseholders (see enclosure #1) or heads of currently doubled-up households (see enclosure #2) who are to be entitled to a new or renovated unit after the redevelopment of Columbia Point; said lists are attached hereto and are to be incorporated by reference into the agreement and said lists will be further verified as provided by the notice provision of Section 2(a) of the Agreement.

COLUMBIA POINT RESIDENT REHOUSING AGREEMENT

The Columbia Point Community Task Force, Inc. (Task Force), the elected representative of Columbia Point residents, the Boston Housing Authority (BHA), and the Boston Redevelopment Authority (BRA) are working together to realize the revitalization and redevelopment of Columbia Point. An essential part of that redevelopment is to ensure that all current residents who wish to do so can continue to live at Columbia Point in a new or renovated unit, and that such units shall be comparable to and uniformly mixed with units for other income groups.

1. ACTIONS TO BE TAKEN BY THE TASK FORCE, BRA, AND BHA

The Task Force, BRA and BHA agree to take all necessary and appropriate actions to ensure that current residents (as used herein, the term "residents" shall mean all residents of Columbia Point who comply with the conditions set forth below) will have the opportunity to remain at Columbia Point. These actions shall specifically include, but not be limited to, the following. The BHA agrees not to spend the \$10 million earmarked for Columbia Point under the Urban Initiatives program on any housing plan, or to sell or lease for redevelopment any of its property at Columbia Point, unless all residents are guaranteed the opportunity to live in new or renovated units at Columbia Point. The Task Force agrees not to approve any housing development program that fails to assure that current residents will be offered new or renovated units at Columbia Point. The Task Force agrees that in its capacity as a co-developer it will provide a guarantee that all residents will be offered a new or renovated unit at Columbia Point. The BRA agrees not to

propose, approve or adopt any urban renewal plan under M.G.L. c. 121B, any c. 121A agreement, any land disposition agreement, or any other plan for the residential housing redevelopment of Columbia Point, unless such urban renewal plan, 121A agreement, other plan or land disposition agreement contains a guarantee that all residents at Columbia Point will be offered new or renovated housing at Columbia Point.

2. CONDITIONS OF THE GUARANTEE

The guarantee of rehousing will be subject to the following conditions and restrictions.

- a. The guarantee will cover residents who, as of the date of this agreement, are recognized by the BHA as lease holders at Columbia Point or heads of currently doubled-up households who are scheduled by the BHA to move into their own units at Columbia Point.

Immediately after execution of this agreement, a list of the residents to whom the guarantee will apply will be compiled by the three parties. To verify the accuracy of this list, all residents on it will be notified that they are entitled to a guarantee and will be required to acknowledge receipt of the notice. Residents not listed who can establish their right to a guarantee will be added to the final list of residents entitled to a guarantee. After verification by the BHA, this list will constitute the list of certified residents eligible for the guarantee.

- b. A resident will not receive a guarantee, or the guarantee will be void, if a resident moves from Columbia

Point, unless the BHA, BRA or the codevelopers relocate her/him because of the redevelopment or because there is no decent, safe, or sanitary apartment available for her/him at Columbia Point. Any resident relocated temporarily or permanently during the redevelopment process shall be entitled to relocation benefits under applicable law, including the Federal Uniform Relocation Act, 42 U.S.C. 4601, or the state relocation act, M.G.L. c. 79A, if applicable or to such other benefits as may be agreed to among the parties and approved by HUD.

- c. The resident must abide by the provisions of her/his current BHA lease or future BHA lease agreements.
- d. The unit the resident will be offered will be appropriate to the household income (rents shall not exceed 25% of gross income or other applicable HUD guidelines for public housing rents if the household income falls within public housing eligibility guidelines, or guidelines for other subsidized housing rents if the household income falls outside of public housing guidelines but within such subsidized housing guidelines) and other eligibility qualifications such as household size or age.
- e. If the resident household's income exceeds eligibility for subsidized housing before the household has been offered an appropriate new or renovated unit at Columbia Point, the guarantee shall remain in effect (i.e., the household will be offered a unit appropriate to its income and other eligibility qualifications). If the resident household's income exceeds eligibility for subsidized housing after the household has

moved to an appropriate unit, the household shall not be subject to eviction proceedings because of income. If the household is required by law to move from its unit, however, the household shall have priority for residency in market rent units on the Columbia Point peninsula.

- f. In case of death, divorce, separation or other long-term absence of the individual leaseholder(s), the guarantee may be transferred upon notification to the BHA to an otherwise eligible adult who has been recorded in BHA records as a bona fide Columbia Point household member.
- g. The guarantee will not be transferable to any other resident or non-resident nor to any relative except as above.
- h. A household's guarantee will continue in effect until that household has been offered an appropriate new or renovated unit at Columbia Point.
- i. All disputes concerning the rights of specific residents under the guarantee will be resolved pursuant to the BHA grievance procedure.
- j. No special conditions of eligibility other than those specified herein shall be established, by lease or otherwise, as a condition for maintaining the guarantee,

3. CONDITIONS OF CONTINUED RESIDENCY

The Task Force, BHA and BRA and their successors in interest shall not discriminate against holders of the guarantee in the terms, conditions or privileges of rental or sale of, or in the provision of services or facilities in connection with, new or renovated units at Columbia Point. This provision

shall be included in any urban renewal plan under c. 121B, c. 121A agreement, and/or other redevelopment plan for Columbia Point and in any document executed by the BHA or BRA disposing of or leasing real property for residential use at Columbia Point.

4. REPRESENTATIONS, ENFORCEABILITY, ETC.

The BRA represents that this agreement has been reviewed and approved by the Mayor of the City of Boston. The Task Force, BRA and BHA represent that the representatives named below have been duly authorized to sign this agreement in behalf of the respective parties and to bind them and their successors in interest. The Task Force, BRA and BHA further agree that this agreement shall be legally enforceable by any of the parties hereto or their successors in interest, and by residents of Columbia Point.

5. TERMINATION

This agreement shall be terminated only in accordance with the provisions of this section. If any one of the parties wishes to terminate this agreement, that party shall so state in writing to each of the other parties. The parties may thereupon agree in writing to terminate this agreement. If all parties do not agree to terminate, the parties shall settle the disagreement by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The agreement shall be terminated only if the arbitration panel concludes in writing, after reasonable investigation, that the development objectives established by the Columbia Point Peninsula Redevelopment Agreement cannot be carried out by the three parties.

In this event the parties agree that any new or renovated housing developed on the peninsula by or through the approval of any of the three parties shall provide appropriate units for Columbia Point residents.
